

Endless Praise

Terra Sancta College is a progressive co-educational Catholic High school with a distinctive Australian Spirituality. We are committed to being authentically Catholic; inviting, inclusive and just. TSC has a strong tradition of academic and sporting excellence as well as a commitment to social justice initiatives. TSC places the student at the centre of all its energies. It through engaging young people in ministry, like EP, that our students are able to develop spiritually, emotionally, physically and intellectually to their own personal best.

TSC engages EP twice each year. On both days EP interweave their distinctive youth ministry with our Year 11 and Year 8 reflection day programs. EP has an ecumenical flavour focusing on song, story, games and testimony.

Year 11 at TSC are introduced to our Leadership ministry and EP with our staff engage the students in small groups to discuss the potential of Christian leadership and guide them to a commitment to a “Leading Learning Program” with our Year 8 students.

Year 8 at TSC discover the history of the Terra Sancta story and engage in a character discovery activity using our Madagascar Program. EP act as small group leaders and connect with our students through the discovery of how we take on various roles in different situations. The integration of EP’s music ministry over the two day program provides an atmosphere of faith and fun. “EP shared really good stories about Jesus and how he relates to their own story. My friends loved how EP got us involved with their songs and dancing,” said Tamara Campion (Year 8 student, 2010). The highlight of the two days was EP’s ability to break down barriers so that the students were able to express themselves in a talent quest that could rival any of our modern iconic shows on TV.

Overall, EP helps the students to express the spiritual insight at the heart of the College’s religious culture: that this earth and humankind, created by the hand of God, is sacred and each person is loved by God.

Mr. Robert J. Feeney
Leader of Learning – Religious Education
